Discovery Matters Referred to United States
Magistrate Judge Elizabeth D. Laporte

5 Plaintiff EON Corp. IP Holdings, LLC (“EON”) hereby requests and Defendant SerComm
6 Corporation (“SerComm”) agrees to a ten (10) day extension of time for EON to file a response to
7 SerComm’s Notice of Motion and Motion to:

- 8 1) An Order compelling EON to provide infringement contentions that comply with
9 patent L.R. 3-1; and,
10 2) A Protective Order to stay or limit certain discovery.

On April 8, 2013, EON filed a Motion for Extension of Time (Dkt. No. 674) for EON to respond to SerComm's Motion. On April 18, EON filed a Stipulated Request for Extension of Time. (Dkt. No. 677). Since then, the parties reached a tentative agreement regarding the above issues and expect to finalize the agreement in the next several days. Therefore, the motion will likely be mooted prior to any necessary hearing. The requested extension for time will move the Response due date to May 13, and the Reply due date to May 20, 2013. The motion is currently set for hearing on June 4, 2013. The parties request that the hearing be continued. In the event that the parties are unable to reach a resolution, the parties agree to reschedule a hearing date at the Court's earliest convenience.

1 The extension will affect no other date or deadline in this case. For the foregoing reasons,
2 EON requests and SerComm does not oppose that the Court grant the request and extend the
3 deadline for EON to file its response to SerComm's Motions.
